

Mr Karena's Lesson Two – 9 January

Music Course – Year 9 “Songs with Values”

First Major Assignment – My Mix (Criterion A – Knowledge and Understanding)

Task: Analyze 3 ‘*contrasting*’ songs which students independently listen to.

Discuss the assignment using the song “The Clime” as an exemplar.

Discuss types of genres of songs – Pop, Country, Funk, Rock etc and describe the musical elements of each of these genres to see how they are manipulated to create their own unique style

Rhythm

Melody

Structure

Harmony

Identify the values in the messages of each song.

Try to rationalize why these values are important to each individual student

Provide a link (either youtube or a sound byte)

Complete this task by the 2nd week of February.
